

**Learn more about Commercial Collections**

The color play collection is a set of 16 planks made with a mixture of four selected patterns.

Available sizes are 7" x 48", 9" x 48" and 7.24" x 37.4".

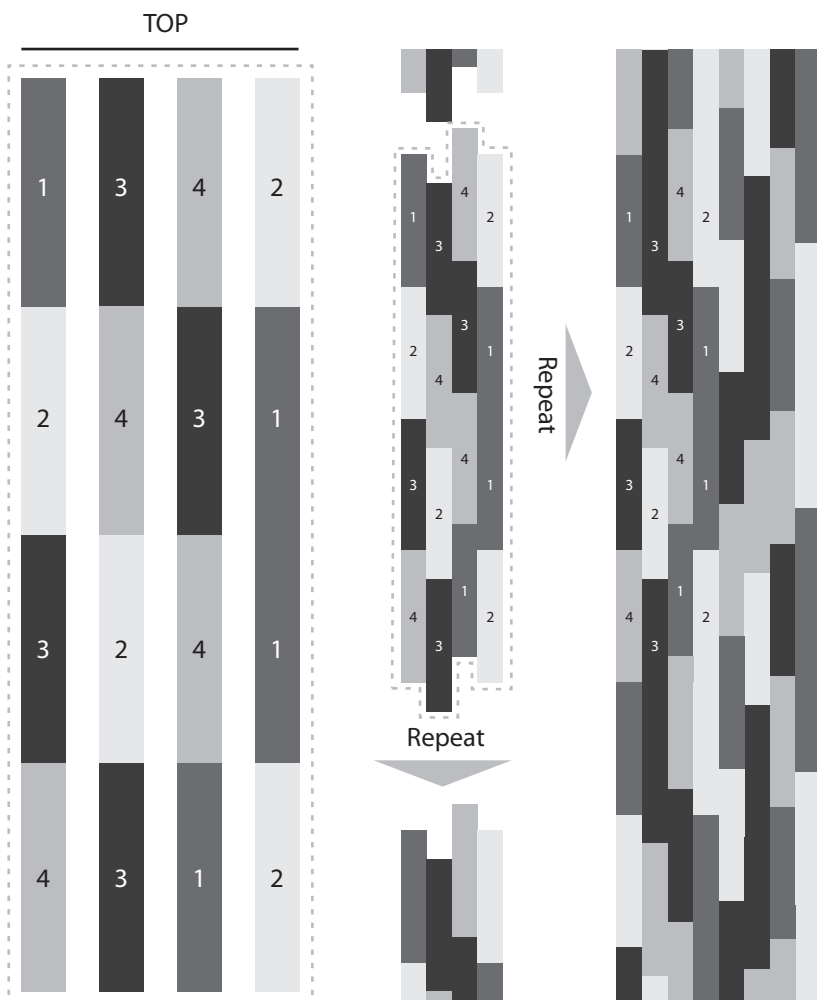

It enables the boundless expansion of perfectly matched and repeated colors in any space.

The commercial collections create the unique atmosphere by fast and easy installation method for realistic wood patterns and various combinations.

**How to**

Based on TOP line, 4 planks in a row are laid 4 times in a fixed order and a set of 16 planks is repeated to cover the expanded space.

Referring to the table above, each of four planks in a row keeps different positions in order to make a harmony of colors.
